The **Company Information** screen differs depending on the channel type: either “Customer Channel” or “Vendor Channel.” Complete all required fields except those that are auto-filled. (Fields marked with an asterisk[*] are mandatory.)

① Enter the company name and click **[Search]** to look up your organization. [\(Further details on the next page\)](#)

② The Company Code/Vendor Code fields are required. If you complete step ①, they will be automatically filled in.

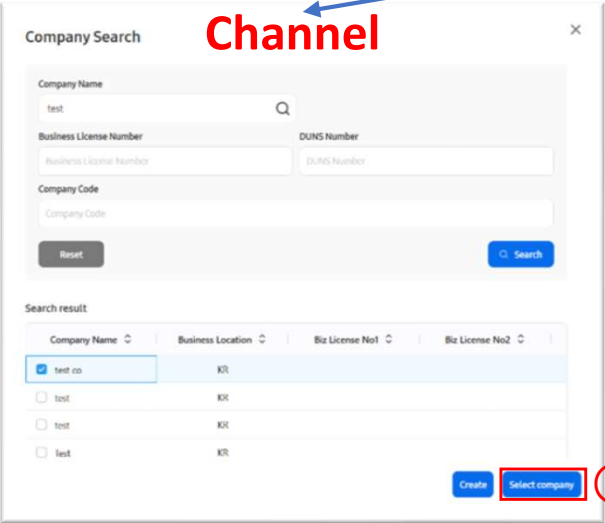

③ Additional fields may appear depending on the channel's requirements.

Steps	Self Registration > Create User > User Information
Summary	User Information

The screenshot shows a registration form titled "Welcome to Samsung Business Partner Registration". It has three steps: 1. Your information, 2. Terms & Privacy, and 3. Registration complete. The current step is "Your information", which is divided into "Company information" and "User information". The "User information" section contains two parts: "General Information" and "Channel-Specific Information".

General Information: This section includes fields for Login ID*, Preferred Language* (dropdown), First Name*, Last Name*, Password*, Retype Password*, Phone (country code dropdown and number field), and Department* (dropdown). A red box highlights this entire section.

Channel-Specific Information: This section includes a User Type* dropdown menu. A red box highlights this section.

At the bottom of the form are "Back" and "Next" buttons.

- ① Enter the user's personal information.

- ② Enter additional details if required. This section may not appear depending on the channel.
